

Combination Welding

What is the total cost of the Combination Welding program?

Tuition for a student to complete the Combination Welding program within the normal time frame of 36 weeks of contact time (as published in the school catalog) scheduled over approximately 9 months currently totals $16,740, which includes required course textbooks and e-textbooks, AHA BLS training (including CPR and AED use), first aid training, OSHA-10 training, one uniform shirt, a basic welding tool kit containing items commonly used in the trade, and one electronic device. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

Also included in tuition is the graduate's cap and gown.

- Course fee of $150 per course
- **TOTAL tuition and fees = $18,540**
