

DORSEY SCHOOLS JOB PLACEMENT DISCLOSURES

Dorsey School of Business has recently received institutional accreditation from the Council on Occupational Education (COE). Since there are no current reporting requirements for COE, please note that the completions, placement and licensure data given below is the reporting information as required by our previous institutional accreditor - Accrediting Council for Independent Colleges and Schools (ACICS). The first report for COE is due on Dec 7, 2018.

As a school accredited by the Accrediting Council for Independent College and Schools (ACICS) Dorsey Schools hereby certifies that the placement information provided below was submitted to ACICS on November 1, 2017 as part of its annual report (Campus Accountability Report (CAR)) and is the most recent placement data available. All placement information provided is for students graduating or completing program requirements between the period July 1, 2016 and June 30, 2017. Dorsey Schools uses ACICS' placement definitions and formula to calculate all placement rates.

ACICS applies the following Definition of Placement to outcomes reported by member institutions¹:

Placed based upon job titles: Any graduate or completer of a program that was placed based upon job titles included in the list of job titles published by the institution for which the program prepares students. These job titles must be those published by the institution on its web site in compliance with USDOE Title IV regulations and must be identified in the Department's CIP-to-SOC Crosswalk ([Standard Occupational Classification](#), U.S. Department of Labor) with the Classification of Instructional Programs (CIP) code of this program.

OR

Placed based upon the required use of skills: Any graduate or completer of a program that was placed based upon the required use of skills learned in the student's program as a predominant component of the job. These skills must be those listed in the institution's published program description and a majority of these skills must be documented in the employer's job description as required or desired skills, duties or responsibilities.

OR

Placed based upon the benefit of the training: Any graduate or completer of a program that was placed based upon the benefit of the training received from the program in obtaining a new position or maintaining a current position, supporting promotion or improving job related skills.

ACICS calculates placement rates as follows:

(Placed by job title + Placed by skills + Placed by benefit of training)
((Completers + Graduates) - (Exemptions*))

* Exemptions are: pregnancy, death or other health-related issues, continuing education, military service, visa restrictions, enrollment in English as a Second Language (ESL) program, and incarceration.

ADDITIONAL NOTE:

Dorsey's Taylor campus – Dorsey School of Beauty is accredited by NACCAS (National Accrediting Commission for Career Arts & Sciences). The placement information provided below for Dorsey School of Taylor was submitted to NACCAS on November 30, 2016 as part of its annual report (Campus Accountability Report (CAR)) and is the most recent placement data available. All placement information provided is for students with the contract end day between the period Jan 1, 2015 and Dec 31, 2015. Dorsey School of beauty Taylor uses NACCAS placement definitions and formula to calculate placement rates.

Per NACCAS A graduate from the graduation cohort is considered eligible for placement unless they meet one of the five exemptions detailed below:

- a. The graduate is deceased
- b. The graduate is permanently disabled
- c. The graduate is deployed for military service/duty
- d. The graduate studied under a student visa and is ineligible for employment in the U.S.
- e. The graduate continued his/her education at an institution under the same ownership

NACCAS calculates placement rates as follows:

$$\frac{\text{Placed}}{((\text{Completers} + \text{Graduates}) - (\text{Exemptions}))}$$

TAYLOR	Exempt	% Placed
Cosmetology	1%	71
Cosmetology Instructor	0%	100%
