ADDENDUM 2 EFFECTIVE NOVEMBER 20, 2017

The below replaces the **VETERANS GRANT** information on page 27 of the catalog to now read:

VETERANS GRANT

The Veterans Grant is awarded based on the following criteria:

Students that are veterans or spouse of a veteran must first apply for Federal Student Aid funds using the FAFSA on the Web application. The Veterans Grant will be awarded to any active duty member or honorably discharged veteran of any United States military service branch, and their spouse. This grant awards up to \$1,000. The purpose of the grant is to help those with military service and their spouse receive a career education and make the transition from military to civilian life. A maximum of one (1) grant may be awarded to any single applicant.

The Veterans Grant is awarded at the campus (Institutional Aid) from a limited allocation of funds and will be awarded to eligible students until the allocation for the calendar year has been met. Applicants must provide documentation to their financial aid office that confirms they or their spouse are Veterans. The grant is awarded by term up to the \$1,000 maximum for each student. The amount disbursed each term will be determined by the amount needed to cover the institutional charges for the term.

Maximum Award Amount	Amount per Term
\$1,000	\$1,000 / # terms or payment periods in Program

This institutional grant is intended to help Veterans and their spouses reduce or eliminate the need to utilize a private loan, including the Dorsey Institutional Loan. To remain eligible to receive the disbursement, students must be in an active school status. Disbursements of the Veterans Grant will be posted to a student’s account at the end of each completed term. This grant can only be used to cover direct cost incurred by the student (e.g. tuition, fees, textbooks, etc.). It cannot be used to cover other educationally related expenses that a student may have (e.g. travel, room & board, etc.). If eligible Veterans Grant recipients receive other forms of financial aid funds that cover all the direct institutional costs for each term of the program, the recipient will not be eligible to receive the grant.
