

Dental Assistant

What is the total cost of the Dental Assistant program?

Tuition for a student to complete the Dental Assistant program within the normal time frame of 48 weeks of contact time (as published in the school catalog) scheduled over approximately 12 months currently totals \$20,400, which includes the cost of books and supplies. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

Total tuition also includes one medical scrub uniform, CPR certification, an electronic device, and the graduate's cap and gown. Additionally, Dorsey Schools will pay the cost one time for graduates to challenge the RHS and the ICE certification exams, which are two components of DANB's CDA exam, contingent upon the graduate meeting Dorsey Schools exam preparation requirements.

- Course fee of \$35 per course
- Externship Fee \$400 (charged in final term)
- **TOTAL tuition and fees = \$21,290**
