

Dialysis Patient Care Technician

What is the total cost of the Dialysis Patient Care Technician program?

Tuition for a student to complete the Dialysis Patient Care Technician program within the normal time frame of 54 weeks of contact time (as published in the school catalog) scheduled over approximately 14 months currently totals \$23,490, which includes the cost of books and supplies. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

Total tuition also includes an electronic device, a stethoscope, one medical scrub uniform, and externship drug testing and personal background investigation. Dorsey College will pay the cost one time for graduates of this program to challenge a certification exam as selected by Dorsey College, contingent upon the graduate meeting Dorsey College's exam preparation requirements.

- Course fee of \$50 per course
- Externship Fee \$500 (charged in final term)
- **TOTAL tuition and fees = \$24,790**
