

Associate of Applied Science in Surgical Technology

What is the total cost of the Associate of Applied Science in Surgical Technology program?

Tuition for a student to complete the Associate of Applied Science in Surgical Technology program within the normal time frame of 84 weeks of contact time (as published in the school catalog) scheduled over approximately 21 months currently totals \$40,950, which includes the cost of books and supplies. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

Total tuition includes an electronic device, a blood pressure kit, and two medical scrub uniforms. Dorsey College will also pay the cost one-time for graduates of this program to challenge a certification exam, as selected by Dorsey College, contingent upon the graduate meeting Dorsey College's exam preparation requirements.

- Course fee of \$75 per course
- **TOTAL tuition and fees = \$42,300**

*Prior to enrollment there is a \$200 Application fee (which includes drug testing and personal background investigation) as well as a \$75 testing fee.
