

Associate of Applied Science in Surgical Technology

What is the total cost of the Associate of Applied Science in Surgical Technology program?

Tuition for a student to complete the Associate of Applied Science in Surgical Technology program within the normal time frame of 84 weeks of contact time scheduled over approximately 21 months currently totals \$45,500. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

- There is a course fee of \$100 per course.
- **TOTAL tuition and fees for the Associate of Applied Science in Surgical Technology program = \$47,300***
- *Prior to enrollment there is a \$200 Application fee (which includes drug testing and personal background investigation) as well as a \$75 testing fee.

What does my tuition in the Associate of Applied Science in Surgical Technology program include?

Tuition includes course e-textbooks, textbooks (except non-consumable textbooks will remain the property of Dorsey College), an electronic device, a blood pressure kit with stethoscope, and the graduate's cap and gown. Two complimentary "medical scrub" uniforms are provided to all associate of applied science in surgical technology program students. Dorsey College will also pay the cost one-time for graduates of this program to challenge a certification exam, as selected by Dorsey College, contingent upon the graduate meeting Dorsey College's exam preparation requirements.
