What does my tuition in the Dental Assistant program include?

Tuition includes course e-textbooks, textbooks (except non-consumable textbooks will remain the property of Dorsey College), an electronic device, and the graduate's cap and gown. One complimentary "medical scrub" uniform, a laboratory coat, and CPR certification are provided to all dental assistant program students. Dorsey College will pay the cost one time for graduates to challenge the RHS and the ICE certification exams, which are two components of DANB's CDA exam, contingent upon the graduate meeting Dorsey College's exam preparation requirements.
