

## ***Dialysis Patient Care Technician***

### ***What is the total cost of the Dialysis Patient Care Technician program?***

Tuition for a student to complete the Dialysis Patient Care Technician program within the normal time frame of 54 weeks of contact time scheduled over approximately 14 months currently totals \$25,110. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

- There is a course fee of \$75 per course.
- An Externship Fee \$500 (charged in final term).
- **TOTAL tuition and fees for the Dialysis Patient Care Technician program = \$26,810**

### ***What does my tuition in the Dialysis Patient Care Technician program include?***

Tuition includes course e-textbooks, textbooks (except non-consumable textbooks will remain the property of Dorsey College), an electronic device, CPR certification and a blood pressure kit with stethoscope. One complimentary "medical scrub" uniform is provided to all dialysis patient care technician program students. Dorsey College will pay the cost one time for graduates of this program to challenge a certification exam as selected by Dorsey College, contingent upon the graduate meeting Dorsey College's exam preparation requirements.
