

Sterile Processing Technician

What is the total cost of the Sterile Processing Technician program?

Tuition for a student to complete the Sterile Processing Technician program within the normal time frame of 24 weeks of contact time scheduled over approximately 7 months, currently totals \$12,555. Total tuition may change based on a student's decision to change programs, repeat classes, withdraw or interrupt training for any reason.

- There is a course fee of \$75 per course.
- **TOTAL tuition and fees for the Sterile Processing Technician program = \$13,080**

What does my tuition in the Sterile Processing Technician program include?

Tuition includes course e-textbooks, textbooks (except non-consumable textbooks will remain the property of Dorsey College), an electronic device, CPR certification and the graduate's cap and gown. One complimentary "medical scrub" uniform is provided to all students enrolled in the sterile processing technician program. Dorsey College will pay the cost one time for sterile processing technician program graduates to challenge a certification examination as selected by Dorsey College, contingent upon the graduate meeting Dorsey College exam preparation requirements.
