

Manicuring

What is the total cost of the Manicuring program?

Tuition and fees for a student to complete the 600-clock hour Manicuring program within the normal time frame of 20 weeks of contact time scheduled over approximately 24 calendar weeks currently totals \$5,400, which includes the cost of e-textbooks, textbook(s), an electronic device, one “scrub set” uniform and a manicuring kit. Total tuition may change based on a student’s decision to change programs, extend training, withdraw, or interrupt training for any reason. Dorsey School of Beauty will pay the cost one time for graduates of this program to challenge the state licensure exam contingent upon the graduate completing Dorsey School of Beauty’s exam preparation requirements. Dorsey School of Beauty has determined that its Manicuring program curriculum is sufficient to fulfill educational requirements for licensure in the State of Michigan only. No educational determinations have been made for any other state, district or US territory in regards to licensure requirements.
