PROGRAM CHANGES AND IMPROVEMENTS

Dorsey School of Beauty consistently strives to improve and update our programs to keep current with changes in industries in which we train. We use two primary methods to effect curriculum changes: 1) Program Advisory Committee meetings are conducted annually, made up of employers and experts from the industry. These committees give feedback and recommendations for updates to programs that the school considers for implementation; and 2) Curriculum review meetings are conducted periodically; curriculum review committees are comprised of program-specific instructors and the Campus Support Center education department. When planned changes or updates occur, they are published in a catalog addendum that is available to students on Dorsey School of Beauty's website at <https://www.dorsey.edu/dsbt/catalog/> and then included in the next printed version of the catalog. Please contact the Campus Support Center director of education and career services for more information on upcoming changes or updates to programs.

GRADING SCALE

Course grades are assigned according to the scale below:

<u>PERCENTAGE</u>	<u>GRADE</u>
80.00-100%	Passing
Below 80.00%	Failure
Transfer Hours	TRANS
Withdraw Passing	WP
Withdraw Failing	WF
Incomplete	IN

- In each course, students must progress towards completion of the State of Michigan mandated minimum practical applications (MPAs) required for graduation.
- Students must maintain an 80% average theory grade. Theory grades are based on tests taken throughout the course. If a student scores below an 80% on any given exam, the student is remediated with an instructor and is required to retake the exam until a minimum of 80% is met.
- Transfer hours and educational credit hours accepted by the school and confirmed by the State of Michigan Board of Cosmetology affidavit, or documentation received verifying hours earned from a different State, are reflected in the student's academic record as TRANS. Transfer hours do not count towards a student's cumulative grade point average but are included in the calculation of maximum time frame as part of satisfactory academic progress determination.
- Withdraw Passing (WP) - Indicates when a student withdrew from a course in which the student was progressing satisfactorily.

- Withdraw Failing (WF) - Indicates when a student withdrew from a course in which the student was not progressing satisfactorily.
- Incomplete (IN) - Issued for a maximum period of two weeks when a student has not successfully completed all required coursework after attending all required course hours. The student shall be permitted two weeks after attending all required course hours to complete and submit all required coursework; a final grade shall be calculated accordingly. Hours attended in excess of required course hours remain associated with the current course and are not counted towards the subsequent course.
- All failed courses must be repeated; a student may not progress in the program until the failed course is successfully completed in its entirety.
- In the event a student fails and then repeats a class, the failing grade will remain as a class attempted and is included in the calculation of maximum time frame as part of satisfactory academic progress determination; however, only the most recent posted grade is included in the calculation of a student's grade point average.
- Students have two weeks following the end of an academic period to request a grade change, dispute hours, or submit missing coursework for that course. A final grade will be calculated accordingly. If there is any change, SAP is recalculated using the new grade.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Satisfactory Academic Progress (SAP) must be maintained to meet both the institution's academic policy and for eligibility of Federal Title IV. Both academic and attendance requirements (Rate of Progress and Maximum Timeframe) are assessed at the end of each academic period, regardless of Title IV eligibility. This policy is applied consistently to all full-time and part-time students enrolled in all programs. Applicants are informed of this policy prior to enrollment. Students meeting both attendance (Rate of Progress/Maximum Timeframe) and academic performance are considered to be making satisfactory progress until the next evaluation. Students will be informed of their SAP status when calculated, including SAP Met, Warning, and/or Probation (appeal required and approved or denied). A student is able to meet with educational leadership at each campus to access SAP evaluation results and ask any questions.

ACADEMIC REQUIREMENTS

Academic requirements are evaluated using each student's minimum cumulative grade point average (CGPA) calculated using all grades earned in courses that apply to the student's current program of study. Dorsey School of Beauty students are required to maintain a CGPA of at least 80%, and progress towards completion of the number of state-mandated Minimum Practical Applications. Additionally, cosmetology students are required to successfully complete the percentage of tests as shown below:

<u>Course</u>	<u>Percentage of Tests Successfully Completed to Pass Course</u>
COS101	75%
COS102	80%
COS103	90%
COS104	100% of Tests in All Courses

Please note the cosmetology instructor, manicuring, and esthetician students must successfully complete 100% of tests before progressing on to their next course.

Course grades are assigned according to the scale below:

<u>PERCENTAGE</u>	<u>GRADE</u>
80.00-100%	Passing
Below 80.00%	Failure
Transfer Hours	TRANS
Withdraw Passing	WP
Withdraw Failing	WF
Incomplete	IN

In all cases, if a grade of “failing” (F) or “incomplete” (IN) is earned in any course, the student must meet with a designated member of the academic team. An incomplete grade is a temporary grade that must be replaced by a final grade within two weeks. A withdraw grade is given when a student permanently withdraws from a course. All grades count towards Rate of Progress/Maximum Timeframe. See the ACADEMIC INFORMATION section of this catalog for the Dorsey School of Beauty grading scale.

MAXIMUM TIMEFRAME (PACE OF COMPLETION) REQUIREMENTS

Each program is designed to be completed in a specific period depending on specific course requirements. The maximum timeframe for completion of any program is 1.5 times the standard length of the program. A student exceeding the maximum time frame for completion will be terminated from the program and will not be eligible for Title IV financial aid. To re-enroll, a financial agreement not utilizing Title IV funds would be required.

Academic periods are defined by the number of hours completed using the table below. All cosmetology related evaluations must be completed within seven (7) school days. The Academic Year is defined as 900 hours over 30 weeks.

Progress is evaluated for every student at specific points as listed in the chart below for hours actually completed. Attendance is based on 67% (without rounding) of actual attendance evaluated against scheduled hours. If attendance is 67% or greater, then the student is progressing at a pace to ensure completion within the maximum timeframe.

PROGRAM HOURS CONTACT TIME	No. of Hours Completed		Maximum Timeframe in Weeks Completed
	Evaluation Points in Hours/Weeks:	Academic Period:	
Cosmetology 1500 Hours 50 Weeks	450 Hours / 15 Weeks	0-450	75
	900 Hours / 30 Weeks	451-900	
	1200 Hours / 40 Weeks	901-1200	
Manicuring 600 Hours 20 Weeks	300 Hours / 10 Weeks	0-300	30
	600 Hours / 20 Weeks	301-600	
Cosmetology Instructor 600 Hours 20 Weeks	300 Hours / 10 Weeks	0-300	30* Or less dependent upon scheduled hours per week
	600 Hours / 20 Weeks	301-600	

Esthetician 750 Hours 30 Weeks	375 Hours / 15 Weeks	0-375	45
	750 Hours / 30 Weeks	376-750	

ACADEMIC WARNING

Students failing to meet any of the SAP requirements at the end of an academic period will not be eligible for Federal Title IV funds until placed on Academic Warning. Academic Warning status will be for one academic period and will be determined based on:

- Failure to meet the minimum cumulative grade point average, and/or
- Failure to progress at a pace to ensure completion within the maximum timeframe.

Students will be notified in writing, and a copy of this notification is maintained in the student’s file using the Notice of Academic Warning, which will be signed by the student, a school official, and a financial aid advisor. Students may not appeal an Academic Warning.

- Students on Academic Warning are eligible to receive Federal Title IV funds for one additional academic period.
- An interim review of each student’s academic status will be conducted and the student counseled. A student who cannot reasonably be expected to meet SAP academic and pace of completion requirements will be counseled appropriately, possibly including a recommendation for termination.**
- Students may not be placed on Academic Warning for consecutive academic periods.
- A student failing to meet the SAP requirements at the end of the Academic Warning period will be terminated from school and lose eligibility for Federal Title IV funds; however, the student may file an appeal to remain in school and regain Federal Title IV eligibility.

ACADEMIC WARNING COMPLETION

At the end of the Academic Warning, the managing director will notify the student of the student’s SAP status by providing the student with:

- A letter notifying the student of successful completion of the Academic Warning, or
- A copy of the Academic Warning Requirements Not Met form, which will be signed by the student, a school official and a financial aid advisor. At this point, the student will not be eligible for Federal Title IV funds until and unless an appeal is granted. If the appeal is denied, the student will not be held liable for the educational costs incurred during the new academic period.

SATISFACTORY ACADEMIC PROGRESS APPEAL PROCEDURES

A student may appeal the Academic Warning Requirements Not Met determination by submitting the Student Academic Probation Appeal Application to the school’s managing director. The managing director is responsible for making a recommendation on the appeal and electronically scanning the appeal to the Campus Support Center educational leadership team for review by the SAP Appeal Committee. Appeals for loss of eligibility following an Academic Warning must be submitted within seven (7) school days from the end of the academic period. Appeals submitted outside of this deadline may be accepted and considered but may be applied

for a subsequent academic period. The appeal must explain the circumstances that the student believes would have a bearing on the student's reinstatement, including why the student failed to meet SAP requirements and what has changed that will allow the student to meet SAP requirements at the next academic period. Some acceptable circumstances for a SAP appeal include:

1. Illness of student
2. Loss of family member
3. Transportation or childcare issues
4. Unexpected medical care of a family member
5. Military duty
6. Emergency response team member responsibilities
7. Other special circumstances beyond the student's control

Each student is required to document the reason for their appeal for the consideration of the SAP Appeal Committee; failure to adequately document may be the basis for denial. The student must provide documentation that supports the reason for the appeal and how the situation has changed to ensure it does not interfere with the student's progress moving forward. The documentation must show that SAP will be met by the end of the next evaluation period or include an Academic Plan with a deadline of when SAP will be met. The committee will review the student's written appeal, academic record, attendance record, and may call upon the student, managing director and/or the student's instructors for additional information. Based on this review, the committee will determine if the student will remain in school, and under what conditions as specified in the Academic Plan. This academic plan will ensure, if followed, that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe based on the individual student's contract (150% of contracted hours). The student's Maximum Timeframe cannot be exceeded. If the appeal is granted, financial aid eligibility will be reinstated.

SATISFACTORY ACADEMIC PROGRESS APPEAL OUTCOME

The student will be notified in writing of the final decision of a SAP appeal and a copy of this notification is maintained in the student's file.

1. Students who have appealed may remain in school until the determination of the appeal but will not be eligible for Federal Title IV funds until and unless the appeal is granted. If the appeal is denied, the student will not be held liable for the educational costs incurred during the new academic period.
2. Only if the student can reasonably be expected to meet SAP criteria within one academic period should Academic Probation be granted. An exception to this may be granted if the student is placed on an Academic Plan as part of Academic Probation. This plan must be completed using the Academic Plan form and must outline conditions to ensure that the student is able to meet the SAP standards by a specific time.
3. If the student's appeal is granted, the student will be allowed to remain in school and the student's eligibility for Federal Title IV funds will be reinstated.
4. The student will be placed on Academic Probation for one academic period unless the student is placed on an Academic Plan. If a student is on an Academic Plan as part of their probation, the duration is outlined in the Academic Plan. The student's progress in meeting the terms of the Academic Plan must be reviewed each

academic period. A student exceeding the maximum time frame for completion will be terminated from the program and will not be eligible to re-enroll, unless an appeal to be placed on SAP probation is approved with an academic plan. This academic plan will ensure, if followed, that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

5. The committee's decision along with any conditions of approval will be electronically scanned to the managing director who will be responsible for communicating the decision to the student and placing the documentation in the student's academic file.
6. The decision of the committee is final.
7. A second appeal for the same incident is not permitted.

ACADEMIC PROBATION

Students who lose eligibility due to not meeting the SAP requirements and who successfully appeal the loss of eligibility will be placed on Probation for at least one academic period. If appeal is granted the student is placed on Probation and remains eligible for financial aid. Students on probation may be subject to an Academic Plan. Students must be evaluated against the syllabi of any courses attended as well as the Academic Plan conditions.

ACADEMIC PLAN

A student exceeding the maximum time frame for completion will be terminated from the program and will not be eligible to re-enroll. Academic Plans will ensure, if followed, that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe permitted for the individual student. Students placed on an Academic Plan may continue eligibility beyond one academic period, based on specified criteria in the student's plan that will result with the student meeting the SAP requirement at the end of the Academic Plan. An Academic Plan will outline the specific actions and timelines each student must complete in order to meet SAP standards; the period covered in the academic plan may extend beyond the student's term or payment period, but never beyond their maximum timeframe. Students that are progressing successfully at each checkpoint of their academic plan will remain in satisfactory progress and eligible for financial aid. If the student is not able to maintain the requirements of their Academic Plan, the student will be terminated from the program without the ability to appeal the decision. Students not meeting this requirement will also not be eligible for financial aid. Students may appeal to have their Academic Plan revised.

END OF PROBATION

At the end of the Academic (SAP) Probation period, the managing director will notify the student of the outcome of the student's probationary period by providing the student with either a letter notifying the student of successful completion of the Academic (SAP) Probation period or a Notice of Termination from the school. A second appeal for the same incident is not permitted.

At the end of the Academic Probation period, the managing director will notify the student of the outcome of the student's probationary period by providing the student with:

1. A letter notifying the student of successful completion of the Academic Probation period, or
2. Notice of termination for failing to meet SAP requirements.

RE-ESTABLISHING SATISFACTORY ACADEMIC PROGRESS

1. A student can re-establish SAP and financial aid eligibility by making all standards after being on Warning or Probation, or by having a SAP Appeal approved.
2. SAP can only be re-established at a subsequent evaluation point.

MISCELLANEOUS

- Student Applications for Re-admittance – Students applying for re-admittance will be evaluated for the likelihood to meet current SAP standards.
- Transfer Hours and MPAs - Transfer hours from another institution accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when Maximum Time Frame has been exhausted.
- SAP evaluation periods for transfer students occur as follows (SAP evaluation periods are based on actual contracted hours at the institution):
 1. Subtract hours being transferred from an external institution from the total hours of program
 2. If the balance is less than 900, the evaluation period is at the mid-way point of Dorsey contracted hours
 3. If the balance is greater than 900, the evaluation points are at 450 Dorsey hours, 900 Dorsey hours, and the midpoint of the balance of Dorsey contracted hours
- Transfer MPAs will not be included in CGPA.
- Course Repetition – In the event a student repeats a course, all attempts (failed or passed) remain as a course attempted and is included in the calculation of maximum timeframe. Only the last grade for a course is included in the CGPA.
- Grade Point Average – Each student's cumulative grade point average will remain with the student throughout the student's time at the institution. This applies to students who withdraw and later readmit, changes in programs of study, and students who graduate from one training program and readmit into an additional program. Note that only courses included in a program are to be included in the SAP calculation for that program.
- Non-credit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.
- Students dismissed for not meeting SAP standards are permitted to return without Title IV eligibility or use.

IMPACT OF SAP ON STUDENT RE-ADMITTANCE

Students who withdraw prior to completion of the program and wish to re-enroll at the institution into the same program will

return in the same satisfactory academic progress status as at the time of withdrawal.

ACADEMIC REVIEW

A student questioning the accuracy of their grade point average, or subsequent termination of training, may request a review of the matter by the school's managing director or designated member of the academic team. Upon review, a determination will be made as to the legitimacy of the student's concern and appropriate action will be taken. If the student is dissatisfied with the determination, the student may make an appeal to the vice president of education and career services, who shall render a final determination.

APPLICATION OF STANDARDS

These satisfactory academic progress standards apply to all students, day or evening.

Dorsey School of Beauty operates in accordance with standards established by the Michigan Department of Labor and Regulatory Affairs. Students may file complaints with the State of Michigan at www.michigan.gov/pss.

ATTENDANCE POLICIES

Dorsey School of Beauty is dedicated to preparing individuals for promising career opportunities, and as stated in our mission statement, reinforcing the "development of self-esteem, self-reliance, discipline, and confidence in all graduates." Because of the fast-paced environment and hands-on design of our courses, Dorsey School of Beauty has found that good attendance is clearly linked to successful completion of course work and preparation for a successful career. Additionally, employers tell us that an important consideration in hiring and promoting an employee is the demonstration of punctuality and regularity of attendance.

On the day a course has been successfully completed, students may only post attendance up to the remaining hours required for course completion. For example, up to the 450th hour of attendance for COS101 or COS102 and up to the 300th hour of attendance for COS103 or COS104. On the day of course completion, hours attended beyond the course requirement are not valid and will be removed from the student's record. It is the responsibility of the student to proactively plan the hours of attendance required on the day of course completion.

Dorsey School of Beauty student attendance is evaluated at the end of every module, but always on a cumulative basis. Cumulative attendance is rounded to the nearest whole number. Cosmetology and Manicuring students attending 70% or better of scheduled

hours are on track. Students attending between 65% - 69% of scheduled time will be placed on Attendance Warning. Students attending below 65% will be immediately terminated and may be permitted to return only after at least one module away from school and after completing a detailed readmittance process. Esthetician program courses must be completed at 100% attendance in order to pass a course. Make-up time will be available to student who miss, but this time will be limited and posted on campus regarding availability.

- Class sizes are limited by state law and Dorsey insists on prompt and regular attendance at both theory and practical classes during all scheduled hours. Students must sign in upon arrival and sign out when leaving for the day; sign in/out sheets will be confirmed by the instructor. Each student must sign in/out for themselves. No student may allow another person to sign in or out on behalf of that student. No credit shall be given to students leaving the campus during assigned hours once that student has clocked in
- Attendance percentages are rounded to the nearest whole number. Attendance must be reviewed by the 7th calendar day of every new module.
- Cosmetology and Manicuring ONLY: for any module that a student falls below 70% for that module, but is above 70% cumulatively, the student will be put on Attendance Alert. This will be done in writing using the appropriate form, including the student's and campus representative's signature. NOTE: the 70% benchmark may be adjusted by Campus Support Center Education personnel on a modular basis for extenuating circumstances.
- Cosmetology and Manicuring ONLY: If a student's cumulative attendance is measured at a module's end between 65 - 69%, that student will be put on Attendance Warning until their cumulative attendance improves to 70% or better at the end of a module. This will be done in writing using the appropriate form, including the student's and campus representative's signature.
- New Cosmetology students may not miss more than twelve (12) scheduled hours unless otherwise indicated by Campus Support Center each module (with make-up time permitted and included) of COS101 during the first two weeks of the term or their enrollment will be cancelled.
- Students may request to attend make-up hours sessions as scheduled by the campus. Any student wishing to "bank" hours by attending more hours in advance than scheduled, must realize this may have a negative impact on their financial aid eligibility. A discussion with a financial aid representative should take place prior to attending more total hours than are scheduled.
- Any student who is absent for 14 consecutive calendar days, excluding observed holidays and breaks, will be officially dismissed from school. In extremely rare cases, this may be mitigated if approved by the Vice President of Operations and Vice President of Education & Career Services.
- Michigan State Board of Cosmetology regulations limit a student's attendance to no more than 40 hours per week.
- **Attendance Warning**
Dorsey School of Beauty students are expected to attend school daily until the completion of their scheduled program. When a student fails to meet the minimum 70% attendance requirements within a module the student will be placed on

Attendance Warning status the following module. The student will have one module to meet the required 70% attendance rate while on Attendance Warning. Students meeting these requirements upon completion of the module will be in good attendance standing. Students ending the Attendance Warning module with less than 70% attendance will be required to submit an appeal to be placed on **Attendance Probation** as outlined below. Failure to submit an appeal will result in the student being withdrawn; the student will receive a Notice of Termination from Dorsey School of Beauty. If a student fails to meet attendance in a subsequent module, the student will have to appeal to be placed on **Attendance Probation** as outlined below.

- **Attendance Probation Appeal Process**

In order to continue in the School of Beauty program on Attendance Probation status, the student must file an appeal indicating the mitigating circumstances and resolution of the issues resulting in the student's inability to meet the 70% attendance requirements. The student has 7 school days from the last day of the module to submit the appeal and will remain active in the program until a response to the appeal has been given. An Attendance Appeal can only be submitted one time during a student's course of study. If an appeal is denied, the student will be withdrawn from school and will receive a Notice of Termination from Dorsey School of Beauty.

- **Attendance Probation**

If the appeal is approved, the student will be on Attendance Probation for one module. The student then has one final module to achieve the 70% attendance rate. If the student successfully achieves a 70% attendance rate the student will be considered in good attendance standing. If a student does not meet the minimum requirements for a third consecutive module, the student will be withdrawn from school and will receive a Notice of Termination from Dorsey School of Beauty. A one-time extension may be granted by the Campus Support Center based on documentation of the mitigating circumstances including resolution and may include an attendance plan.

- Satisfactory academic progress takes precedence over the School of Beauty attendance requirements. A student exceeding the maximum time frame for completion will be terminated from the program and will not be eligible to re-enroll (see **MAXIMUM TIME FRAME SAP REQUIREMENT**).

SCHOOL CLOSURE

In the event of a class cancellation or school closure due to an emergency such as a power outage or snow day, Dorsey School of Beauty has established the following set of resources to keep students informed:

1. Students can check for school closure information with the major local television stations in their area.
2. School closures will also be posted on www.dorsey.edu (in the Events box on the homepage) and on the Facebook page: www.facebook.com/DorseySchoolofBeautyTaylor.
3. Dorsey School of Beauty will update its "Emergency Alert Hotline". Students may call (855) 630-1012 to receive updates on school closures.

We ask students to consult these resources prior to calling one of our campus locations or reaching out to us via social media. We will make every effort to respond to individual student inquiries, but we ask students to utilize one of the resources above as a "first line of defense." The decision to cancel classes or close a campus is one that is given tremendous thought and consideration

throughout our organization and we take a number of factors into account when making such decisions.

OTHER ATTENDANCE POLICY INFORMATION

Excused Absences

An absence due to illness, death in the immediate family or other unavoidable circumstances must be reported to the school prior to the scheduled start time. Each student is required to notify the school if the student will be tardy or absent. Scheduled appointments for doctor/dentist or family engagements may be pre-arranged in advance with administrative staff and logged in attendance records. Students will still lose hours not attended even for pre-arranged absences or tardiness. Following absences due to illness, a physician's verification may be required for return to school at the discretion of the managing director.

When appropriately documented, Dorsey School of Beauty will grant excused absences for the following reasons: jury duty, military duty, and subpoenaed court appearance. Excused absences do not count against a student's perfect attendance; however, the hours absent will need to be made up. The school's records will show that the student was not in attendance on those dates.

Make-up Work

Make-up work is associated with any missed or failed assignments. All written, theory and practical work must be made up promptly so that final grades may be entered promptly. Make-up hours must be made up as originally scheduled (i.e., missed on-ground must be made up on-ground, missed distanced education must be made via distance education). Students should provide written documentation of an absence of two (2) days or more to the managing director or lead instructor.

All make-up work must be scheduled and approved with the managing director or lead instructor. Students absent on the day of an exam will be permitted to make up the exam in the make-up hour after regular scheduled classes. Students that have failed exam grades must re-take the exam during scheduled make-up time with a passing grade before advancing to the next course.

GRADUATION REQUIREMENTS

A Dorsey School of Beauty diploma is awarded to a student successfully completing all required program hours, passing all examinations with a grade of at least 80%, and completion of all MPAs according to the MPA Schedule. Upon receipt of graduate's diploma, they may file an application to the State Board of Cosmetology for permission to take the State licensing examination.

INSTRUCTIONAL TOOLS AND EQUIPMENT

Dorsey School of Beauty includes the cost of textbooks and supplies required for each program in the total tuition and fees billed to students. Textbooks and supplies are provided at competitive market rates as appropriate to each student's course-specific schedule and are delivered timely to ensure each student has the required course materials when needed. Students have the opportunity to opt-out of receiving all textbooks and supplies directly from school, and to assume all responsibility for these purchases. This option is only available to students prior to starting

a new program and is effective for the duration of each program enrollment, and may not be reversed, even during any period of re-entry into the same program. Students who opt-out are choosing to assume full responsibility for purchasing and obtaining all textbooks and supplies required for their program of study; students unprepared for class as a result of their opt-out decision will not receive accommodations from the school, including staff and faculty, as a result of their decision. Information on textbook and supply pricing by program is accessible on the school website at www.Dorsey.edu on the Student and Consumer Information page. All other general supplies are the responsibility of the student.

FINANCIAL AID INFORMATION²

INSTITUTIONAL SCHOLARSHIPS

GREAT START PROGRAMS SCHOLARSHIP

To encourage student commitment, Dorsey School of Beauty offers the Great Start Scholarship for new students in select programs. Students must be in an active school status at the time of each award. The scholarship is awarded at the campus (institutional aid) from a limited allocation of funds and will be awarded to eligible students until the allocation for the calendar year has been met.

Students must first apply for Federal Student Aid funds using the FAFSA on the Web application. This institutional scholarship is intended to help new students reduce or eliminate the need to utilize a private loan, including the Dorsey Institutional Loan. To remain eligible to receive the disbursement students must be in an active school status. Each disbursement of the Great Start Scholarship will be posted to a student's account at the end of the applicable completed term. This scholarship can only be used to cover direct cost incurred by the student (e.g., tuition, fees, textbooks, etc.). It cannot be used to cover other educationally related expenses that a student may have (e.g., travel, room & board, etc.). If eligible Great Start Scholarship recipients receive other forms of financial aid funds that cover all the direct institutional costs for any term of their program, the recipient will not be eligible to receive the scholarship.

Students must sign the "Great Start Scholarship Commitment" form to have a "Great Start" at Dorsey School of Beauty, and meet the following eligibility criteria:

- Maintain 3.0 CGPA,
- Maintain at least 90% attendance in each course (course requirements may be higher), and

² Information in the grants, scholarships, loans and tuition financing summaries do not apply to the Manicuring or Cosmetology Instructor

programs, due to the short nature of these programs. However, students in all programs have the option of securing private funding.

- Be in good financial standing (current on payments, no outstanding financial aid issues, etc.).

The Cosmetology program at Dorsey School of Beauty is eligible for the Great Start Programs Scholarship in the amount of \$500.

The first (1st) scholarship payment of \$250 will be awarded to students after completion of the first payment period/term, the second (2nd) scholarship payment of \$250 will be awarded to students after completion of the second payment period/term, up to the maximum amount of \$500 per student. The amount awarded to each student will be determined by the amount needed to cover their institutional charges for the payment period/term.

Student must enroll for the entire program of study to be eligible for the Great Start Scholarship. Transfer students and students readmitting into a Dorsey School of Beauty program with transfer credits or hours previously earned are not eligible.

FEDERAL PELL GRANT

Generally, Federal Pell Grant funds do not have to be repaid. The maximum Pell Grant award for the 2024-2025 award year (July 1, 2024, to June 30, 2025) that an eligible student may receive is \$7,395 per year. To apply, students must complete the Free Application for Federal Student Aid (FAFSA on the Web), which is located at <https://studentaid.gov/h/apply-for-aid/fafsa> or the FAFSA Mobil App.

Students who receive a Pell Grant are subject to a life-time aggregate that they cannot exceed. As of 7/1/12, the aggregate limit is 600% of the student's total Pell Grant eligibility; students can monitor their aggregate balance **at** <https://studentaid.gov>.

Generally, the SEOG does not have to be repaid. Dorsey School of Beauty has established SEOG awards that may range between an annual maximum of \$2,000 and a minimum of \$400.

FEDERAL STAFFORD LOAN PROGRAM

Effective July 1, 2013, interest rates will be established each year for Direct Subsidized, Direct Unsubsidized, and Direct PLUS loans for which the first disbursement is on or after July 1 through the following June 30. The rate will be the sum of a uniform "index rate" plus an "add-on" that varies depending on the type of loan (Subsidized/Unsubsidized or PLUS) and the borrower's grade level (undergraduate or graduate/ professional). Thus, interest rates will be the same for Direct Subsidized Loans and Direct Unsubsidized Loans taken out by an undergraduate student. The interest rate for a loan, once established, will apply for the life of the loan – that is, the loan will be a fixed-rate loan.

For Subsidized and Unsubsidized loans for undergraduate students first disbursed on or after July 1, 2025, and before July 1, 2026, the fixed interest rate is 6.39%. Borrowers with other outstanding loans may be eligible to consolidate eligible loans into one consolidated payment. Students should refer to their Loan Entrance counseling package for additional information.

DIRECT SUBSIDIZED STAFFORD LOAN

The Subsidized Stafford Loan program provides low interest loans through the U.S. Department of Education's Direct Loan Program. The maximum annual loan amount for the first academic year is \$3,500 for undergraduate students, less origination and other fees (if applicable). The federal government pays the interest while the borrower is in school. Borrowers of subsidized Stafford Loans first disbursed on or after July 1, 2014, are once again eligible for an interest subsidy during the 6-month grace period. Interest does not begin to accrue until the student leaves school or anytime that their enrollment drops below a halftime status, and after the grace period has ended. Subsidized Federal Stafford loans provide many flexible repayment plans as outlined in the loan counseling materials. Payments are based on the repayment plan selected by the student.

DIRECT UNSUBSIDIZED STAFFORD LOAN

If a student does not qualify for a full or partial Subsidized Stafford Loan based on financial need, or needs additional loan funding, they may qualify for an Unsubsidized Stafford Loan through the U.S. Department of Education's Direct Loan Program. The federal government does not pay the interest on unsubsidized loans while the student is in school. Student loan borrowers are responsible for all interest that accrues on the loan while enrolled, during the grace period, and any deferment periods. Students may elect to make interest payments while in school to avoid the capitalization of interest and lower the overall repayment debt. Loan repayment begins six months after leaving school, or six months after a student elects to attend less than half time.

Independent students can borrow up to \$9,500 (Subsidized and Unsubsidized combined) for the first academic year. Dependent students can borrow up to \$5,500 (Subsidized and Unsubsidized combined) for the first academic year.

DIRECT PLUS LOAN (FOR PARENTS)

The Direct PLUS loan is available to parents who wish to apply for additional assistance for their dependent child's education. A parent's decision not to apply for a PLUS loan does not guarantee the dependent student may receive additional financial aid assistance. The amount of the PLUS loan cannot exceed the student's cost of attendance less other student aid awarded. PLUS loans through the Federal Direct Loan Program disbursed on or after July 1, 2025, and before July 1, 2026, will have a fixed interest rate of 8.94%. Loan repayment begins immediately after the final loan disbursement for the loan period is made; however, parents may apply for a deferment. Payments will include both principal and the interest that accumulates.

See the summary of loan information below; students should contact their Financial Aid Administrator to receive further information regarding the maximum Federal Stafford annual loan amounts for second or subsequent academic years.

UNUSUAL ENROLLMENT HISTORY (UEH)

In an effort to prevent fraud and abuse in the Federal Student Aid programs, beginning in the 2013-14 award year the U.S. Department of Education implemented the Unusual Enrollment History (UEH), to monitor the enrollment history of recipients of Pell grant program funds. Effective for the 2015-16 award year, this monitoring is now extended to also include recipients of the Direct Stafford Loan program funds. Students with unusual enrollment (UEH) histories may be flagged during the application for Federal Student Aid process. Some students may have legitimate reasons for their unusual enrollment history, so institutions are required to request documentation from students, to determine if there are valid reasons for the unusual enrollment history. This UEH flag needs to be resolved before students can receive additional Federal Student Aid.

ADDITIONAL LOAN OPTIONS

PRIVATE EDUCATIONAL LOANS

Students have a variety of options if they choose to apply for private loans. Dorsey School of Beauty does not use a preferred lender list; we provide students with a list of private education loan lenders that have offered private loans to our students over the past four years. Students should select a private lender of their choice; they are not required to use any of the lenders we have listed. Dorsey School of Beauty will promptly process the application for any lender that is selected by students. Students and parents should first apply for Federal Student Aid before resorting to private educational loans.

DORSEY SCHOOL OF BEAUTY INSTITUTIONAL LOAN

Dorsey School of Beauty also offers a private institutional loan to eligible students who have a gap in their Federal Student Aid and the amount of their institutional tuition and fees. This institutional loan can only be used to cover direct cost incurred by the student (e.g., tuition, fees); it cannot be used to cover other educationally related expenses that a student may have (e.g., travel, room & board, etc.). Students should contact their financial aid office for additional information.

OTHER BENEFITS AND JOB TRAINING OPPORTUNITIES

TUITION REIMBURSEMENT

Dorsey School of Beauty will accommodate any student eligible for employer or employee-related benefits to secure the benefits by completing required forms and submitting required performance reports or other documentation. The student is responsible, however, for all tuition charges incurred with training in the event reimbursement requests are not honored as expected.

FINANCIAL AID OFFICES AND STAFF

Dorsey School of Beauty has a financial aid office with a financial aid advisor available during regular school hours. The financial aid staff is prepared to advise students and their families on the availability of aid, determine eligibility, and guide applicants through the entire process. The application, processing, awarding, and refunding of financial aid can be confusing; therefore, we invite students to call on our staff for assistance.

PREVENTION OF FINANCIAL AID/SCHOLARSHIP FRAUD

Every year, millions of high school graduates seek creative ways to finance the markedly rising costs of a college education. In the process, they sometimes fall prey to scholarship and financial aid scams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act of 2000 (CSFPA). The CSFPA

enhances protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud. It also charged the Department, working in conjunction with the Federal Trade Commission (FTC), with implementing national awareness activities, including a scholarship fraud awareness site on the ED web site.

According to the FTC, perpetrators of financial aid fraud often use these telltale lines:

- The scholarship is guaranteed or your money back.
- You can't get this information anywhere else.
- I just need your credit card or bank account number to hold this scholarship.
- We'll do all the work.
- The scholarship will cost some money.
- You've been selected to receive a 'scholarship' in a contest you never entered.

To file a complaint, or for free information, students or parents should contact the Federal Trade Commission student response center at 1.877.FTC.HELP (1.877.382.4357) or visit: WWW.FTC.GOV/SCHOLARSHIPSCAMS.

ACADEMIC YEAR DEFINITION

For purposes of processing Federal Student Aid, Dorsey School of Beauty programs' academic year is defined as follows:

- Cosmetology Clock hour program defined as 900 hours and 30 weeks

PAYMENT PERIODS

Financial aid funds are disbursed to students throughout their enrollment in school by payment periods. For clock hour programs, the payment period is the period of time it takes a student to successfully complete both half the number of clock hours and half the number of weeks of the academic year or program, or the remaining portion of a program that is more than one-half of an academic year but less than a full academic year.

REFUND AND CANCELLATION POLICIES

Dorsey School of Beauty's policy adheres to the refund and cancellation policies of applicable state, federal, and accrediting agencies.

INSTITUTIONAL CANCELLATION POLICY

Dorsey School of Beauty applies the following institutional cancellation policy to all applicants:

- (1) If the applicants Enrollment Agreement is rejected or not accepted by the school, all tuition and fees paid by the applicant will be returned within thirty (30) days.
- (2) If the applicant cancels or terminates their Enrollment Agreement with the school within three (3) business days of signing the contract, regardless whether or not the student has started training, all tuition and fees paid by the applicant will be returned within thirty (30) days.
- (3) If the applicant cancels the Enrollment Agreement after three (3) business days of signing but prior to entering classes, all tuition and fees paid by the applicant will be returned within thirty (30) days.
- (4) If the program is canceled subsequent to a student's enrollment and before instruction has begun, all tuition and fees paid by the applicant will be returned with thirty (30) days.

The postmark date on written notification or the date the notification is delivered to the school in person, or the date the school is notified verbally by the student will determine the cancellation date. Dorsey School of Beauty's policy adheres to the refund policies of applicable state, federal, and accrediting agencies.

INSTITUTIONAL REFUND POLICY FOR STUDENT WITHDRAWN OR TERMINATED FROM TRAINING

The Institutional Refund policy applies to all students who withdraw or are terminated for any reason, by either party, including the student's decision, course or program cancellation, or closure of the school after the beginning of the program. The postmark date on written notification or the date the notification is delivered to the school in person, or the date the school is notified verbally by the student will determine the official withdrawal date. The postmark date on written notification, or the date the notification is delivered to the student in person determines the official termination date.

The unofficial withdrawal date will be determined by the student's last date of attendance; the school monitors clock hour attendance at least weekly. The Institutional Refund Calculation is based on the percentage of scheduled program hours in the payment period, prior to the student's last date of attendance. The calculation is not based on the hours attended nor hours earned, see the schedule below.

% of Scheduled Hours In Payment Period Prior To Last Date Of Attendance	% of Tuition For Payment Period Retained By School
0.01 to 59%	0.01 to 59.99%
60 to 100%	100%

Clinic and product fees, kit fee and textbook charges are not included in tuition cost, these fees are billed separately are non-refundable and not included in the institutional refund calculation.

The Institutional Refund calculation is determined on a pro rata basis. For example, if a student was scheduled for 30% of the hours in the payment period prior to the last date of attendance, the school will retain 30% of the tuition for the payment period. Students scheduled for 60% or more hours of the payment period will be charged the full tuition for the payment period. The refund ratio is calculated by dividing the number of hours the student was scheduled, by the total number of hours in their payment period and applying this ratio to the tuition for the payment period. The payment period is the period of time it takes a student to successfully complete both half the number of clock hours and half the number of weeks of the academic year or program, or the remaining portion of a program that is more than one-half of an academic year but less than a full academic year.

Any tuition amount not retained by the school will be deducted from the amount of tuition that was billed for the payment period. For example, if the school retained 30% of the tuition billed for the payment period, the amount billed is reduced by 70%. Students are responsible for any balances due to the school for unpaid institutional charges.

Refunds due to the student who withdraws or is terminated from school is mailed in the form of a paper check within forty-five (45) days of the date the school determined that the student officially or unofficially withdrew or was terminated. The school maintains

student ledger accounts and reconciled bank statements as evidence that institutional refunds are issued to and received by the recipient in a timely manner.

If the school cancels a course or program and ceases to offer instruction after students have enrolled and instruction has begun, the school either will participate in a Teach-Out Agreement or provide pro rata refunds to students transferring to another school based on clock hours accepted by the receiving school. If the school closes permanently and ceases to offer instruction after students have enrolled and instruction has begun, the school will make arrangements for all students; the school either will participate in a teach-out agreement or pro rata refunds.

Students not receiving Federal Title IV Financial Aid

Students who do not receive Federal Student Aid that withdraw or are terminated from school will be solely subject to the Institutional Refund Policy described above.

Students receiving Federal Title IV Financial Aid

Students receiving Federal Student Aid that withdraw or are terminated from school will be subject to the Institutional Refund Policy described above, in addition to the Return to Title IV Calculation Policy described below.

The school or the student may be required to return some of the federal funds awarded to the student as described below. The student may also be eligible for a refund of a portion of tuition paid to Dorsey School of Beauty for the payment period. If the student received financial assistance from an outside source, a portion of the refund may be returned to that or other sources from which assistance was received. Any funds in excess of those (1) returned to Title IV aid, or (2) due and payable to Dorsey School of Beauty shall be used to repay other private sources and the student in proportion to the amount received from each non-federal source.

RETURN OF TITLE IV FUNDS POLICY

Students considering withdrawing from school should contact the Financial Aid Office to determine the amount of federal student assistance funds, if any, that must be returned on the student's behalf. Any student electing to withdraw from school is responsible for any balance due and payable to the school as a result of the Return to Title IV calculation. See the Withdrawal Procedures section of this catalog.

The U.S. Department of Education requires schools to determine the amount of federal student aid the student earned if they withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, Direct Loans, Direct PLUS Loans and Federal Supplemental Educational Opportunity Grants (FSEOGs).

Withdrawal and Withdrawal Determination Dates

A student's withdrawal date is always the last date of academic attendance as determined by the attendance records. This date is used for all students who cease attendance, including students who unofficially and officially withdraw.

Students absent from all classes for 14 consecutive calendar days, including weekends and excluding breaks between mods or terms of five (5) consecutive days or more, will be unofficially withdrawn from school (See ATTENDANCE POLICIES under ACADEMIC INFORMATION in this catalog). The date of determination for unofficially withdrawn students is no later than 14 days after the student's last date of attendance. If the date a student provides official withdrawal notification to the school is prior to the date the school would regularly determine to be the student withdrawal

date, the date of determination is the date of the student's notification.

Calculating the Days or Hours Completed

In determining the percentage of the payment period completed for a student who withdraws from a credit-hour program offered in modules, the school includes in the denominator (the total number of calendar days in the payment period) all days within the period that the student was scheduled to complete (including those completed by the student) prior to ceasing attendance, excluding any scheduled breaks of at least five (5) consecutive days when the student was not scheduled to attend a module or other course offered during that period of time.

For a clock-hour program, the percentage of the period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the day the student withdrew, by the total number of clock hours in the same period.

Non-standard term, credit-hour programs with terms that are not substantially equal in length have two defined payment periods: one for Title IV grant funds, and one for Direct Loan funds. However, only one payment period may be used in determining earned Title IV grant and loan funds for a student who withdraws; in this case the payment period used in the R2T4 calculation is the Direct Loan payment period that ends later.

Calculating the Amount of Title IV Funds Earned by Student

The amount of funds earned is based on the amount of time the student completes during the payment in which they withdrew. The payment period is defined by the type of program the student is enrolled in; standard, non-standard or clock hour. See the Payment Period section of this catalog for definitions.

If a student received (or the school received on the student's behalf) less assistance than the amount that is earned, the student may be able to receive those additional funds. If more assistance was received than was earned, the excess funds must be returned.

How the Return of Title IV Calculation Works

The Return to Title IV calculation is determined on a pro rata basis. For example, if a student completed 30% of their payment period or period of enrollment, they earn 30% of the assistance they were originally scheduled to receive. Students completing 60% of the payment period or period of enrollment earn all the assistance that they were scheduled to receive for that period. This process must be completed no later than 45 days after it is determined that the student withdrew.

Post-Withdrawal Disbursements

If the student does not receive all of the funds earned prior to their withdrawal, they may be due a post-withdrawal disbursement. Dorsey School of Beauty must offer any amount of a post-withdrawal disbursement that is not credited to the student's account within 30 days of the date of determination.

If the post-withdrawal disbursement includes loan funds, the school must obtain the student (and parent in the case of PLUS funds) permission before it can disburse them and disburse the funds within 180 days of the date of determination.

The student may choose to decline some or all of the loan funds so that they do not incur additional debt. The school may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition, fees and textbook charges billed by the school. However, Dorsey School of Beauty needs permission from the student to use the post-withdrawal grant

disbursement for all other school charges (if any). It may be in the best interest of the student to allow the school to use the funds to reduce the debt at the school.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed once the student withdraws, because of other eligibility requirements. For example, if the student is a first time, first-year undergraduate student and they have not completed the first thirty (30) days of their program prior to withdrawal, the student will not receive any Direct Loan funds that they would have received had they remained enrolled past the 30th day.

Unearned Title IV Funds

Dorsey School of Beauty is required to return any required excess funds. The amount of the excess funds the school returns is the lesser of the:

- Institutional charges multiplied by the unearned percentage of the funds, or
- Entire amount of the excess funds.

If Dorsey School of Beauty is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that a student (or the student's parent for a PLUS loan) must return, the student repays as regular monthly loan payments in accordance with the terms of the promissory note. That is, the student (or student's parent) makes scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that a student must return is called an overpayment. In the event of a grant overpayment, the maximum required for the student to repay is 50% of the grant received or were scheduled to receive. In addition, regulations clarify that students are not required to repay grant overpayments, which are \$50 or less. Students responsible for a grant overpayment must make arrangements with the School or US Department of Education to repay the funds. Failure by the student to repay the required overpayment will result in a loss of future Federal Student Aid (Title IV programs).

Title IV funds are returned to the program from which the student received aid during the payment period, in the following order:

- Unsubsidized Direct Loans (other than Direct PLUS Loans)
- Subsidized Direct Loans
- Direct PLUS Loans
- Federal Pell Grants
- Federal Supplementary Educational Opportunity Grants
- Iraq and Afghanistan Service Grant

Timeframe for the Return of Title IV Funds

Dorsey School of Beauty must return funds it is responsible for returning as a result of the R2T4 calculation. All unearned funds for which the school is responsible are returned as soon as possible but no later than 45 days from the determination of a student's withdrawal, to the Department electronically. In minor cases funds may be returned by issuing a check within 45 days of the date the school determined that the student withdrew and the date on the cancelled check shows that the bank endorsed that check no more than 60 days after the date the school determined that the student withdrew.

The Return to Title IV Funds policy is distinct and separate from the Institutional Refund policy. Students should refer to the Refund Policy section of this catalog for information regarding any

additional refund calculations the school is required to perform. Students are responsible for any balances due to the school for unpaid institutional charges.

ALCOHOL AND SUBSTANCE ABUSE POLICY

The campus and all associated campus and workplace areas are designated as "Drug-Free." The possession, sale, or the furnishing of alcohol or illegal or illicit drugs of any kind on campus is governed by the Student Code of Conduct found in this catalog. Students and employees are not allowed to bring alcohol, illicit or illegal drugs of any kind onto school premises, or be under the influence of alcohol, illicit or illegal drugs while on school premises. The National Minimum Drinking Age Act of 1984 required all states to raise their minimum purchase and public possession of alcohol to age 21.

Dorsey School of Beauty can provide employees and students with information on outside resources available to help with problems related to the misuse of alcohol and all forms of substance abuse for themselves or their family members. Contact the managing director for names of appropriate agencies, phone numbers, and additional information.

Consumption and Possession of Marijuana

All students, employees, and visitors are on notice that the Michigan Medical Marijuana Act (MMMA) and the Michigan Regulation and Taxation of Marijuana Act (MRTMA) conflicts with federal criminal laws governing controlled substances, as well as federal laws requiring institutions receiving federal funds, by grant or contract, to maintain drug-free campuses and workplaces. Dorsey of Beauty participates in federal grant programs which would be in jeopardy if those federal laws did not take precedence over state law. Thus, the use, possession, or cultivation of marijuana in any form and for any purpose on Dorsey School of Beauty's property or premises violates the "Drug Free Schools Police Statement". Dorsey School of Beauty will not allow the use, possession, or cultivation of marijuana on its property or premises or in / on Dorsey School of Beauty's controlled environments, even if a student, employee, or visitor has been properly certified as a medical marijuana user. Students, employees, and visitors will be asked to dispose of or remove marijuana from Dorsey School of Beauty's property or premises immediately.

Further, the MMMA and MRTMA states that employers are not required to accommodate employees who use medical marijuana; therefore, employers have the right to refuse employment to anyone who fails a drug test. Additionally, the State of Michigan prohibits a person from undertaking any task under the influence of marijuana, when doing so would constitute negligence or professional malpractice, as in many areas of the medical field. As a result, drug testing may be required at any time by a prospective employer consistent with the laws of the State of Michigan and the requirements of potential employers.

Dorsey School of Beauty is committed to maintaining an environment that is free from unlawful discrimination, harassment and retaliation, including sexual discrimination, sexual and gender-based harassment and violence, relationship violence, stalking and retaliation. Dorsey School of Beauty does not discriminate on the basis of sex – or any other protected category – in matters of education, extracurricular activities, programs, activities, admissions, services, financial aid, or in the context of employment (collectively, the “programs and employment”). Dorsey School of Beauty does not discriminate, nor permit discrimination by any member of the institution community, and prohibits unlawful discrimination, harassment, and retaliation including on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, gender expression, pregnancy, religion, disability, veteran status, genetic information, height, weight, familial status, marital status, and other status protected under applicable law (collectively, “protected categories”) in institution admissions, employment, access, activities, treatment, educational programs, services and all other areas where it is prohibited by law. Harassment, including sexual harassment, denies or limits a person’s ability to participate in or benefit from Dorsey School of Beauty’s programs and employment and can be forms of prohibited discrimination. This policy applies to all Dorsey School of Beauty programs and activities involving reported and actual conduct by a respondent

who is a student, faculty, staff, or a non-Dorsey-affiliated party and provides the campus community with the process for handling reports of harassment, discrimination, retaliation and sexual misconduct that do not fall under Dorsey School of Beauty's Title IX Sexual Harassment Policy.

Non-Title IX sexual harassment refers to unwelcome conduct of a sexual nature—such as advances, requests for favors, or verbal, written, or physical behavior—regardless of gender or gender identity, occurring outside an institution's programs or the United States. It includes quid pro quo harassment, hostile environment harassment, sexual assault, domestic violence, dating violence, and stalking, as well as other serious conduct that interferes with participation in academic or work settings. Sex discrimination is adverse treatment of individuals based on sex, including exclusion from programs or benefits, and also covers pregnancy discrimination, which occurs when a woman is treated unfavorably due to pregnancy, childbirth, or related medical conditions. Dorsey School of Beauty's process for resolving reports of sexual misconduct will be prompt and equitable and conducted with the oversight of the Title IX Coordinator.

Dorsey School of Beauty also prohibits retaliation, including retaliation for making a report, for participating in an investigation, or for otherwise engaging in lawfully protected activity. All members of the campus community are able to make reports and discuss concerns free from retaliation.

All concerns and/or reports of potential instances of conduct prohibited by this policy – including unlawful discrimination, harassment, and/or retaliation involving students, should be made to grievance@dorsey.edu. Concerns and/or reports of unlawful discrimination, harassment, and/or retaliation involving employment should be made to the Human Resources Department. In all instances, reports should be made as soon as reasonably practicable. Additionally, any individual who believes they are experiencing discrimination for any reason may report it anonymously by calling the Dorsey Hotline at 866-526-1053.

When Dorsey receives a report of conduct covered by this Policy, it will evaluate the information received and formulate an appropriate responsive plan. Some instances may be resolved through informal means, while others may be resolved through an investigation, depending on the circumstances of each particular situation. If, after an investigation, Dorsey determines prohibited conduct has occurred by using a preponderance of the evidence standard, the individual(s) responsible for such conduct will be informed of the same in writing. Dorsey will also include the corresponding appropriate sanction(s) for the confirmed misconduct, up to and including dismissal from the Dorsey School of Beauty, and specific grounds available for an appeal process. Dissatisfaction with the outcome of an investigation is not grounds for appeal in and of itself. Dorsey's decision on an appeal is final and not subject to additional or further appeals. Questions regarding this policy should be directed to Dorsey's Title IX Coordinator Ann Victoria Thomas, who can be contacted at 31799 John R Road, Madison Heights, MI 48071, Ph: 248.585.9200, ext. 11228, athomas@Dorsey.edu.

1. For course-specific academic concerns, a student should first attempt to resolve the difference with the course instructor. For non-academic concerns, a student should communicate with their program director, academic dean, or campus managing director.
2. If a satisfactory solution cannot be achieved, or for a student with concerns of a non-academic nature, the student may choose to submit a formal grievance.
3. Formal grievances must be submitted to the campus academic dean, program director or managing director, as appropriate to the concern. Grievance submission must be in the form of a written letter and must contain a statement of the alleged violation(s), a statement of the student's desired resolution, and the student's name, address, and phone number. Although documentation of the alleged incident is not required as part of the grievance, reliable documentation and/or statements can assist Dorsey School of Beauty in a fair and accurate review of the grievance. In order to resolve the situation in a timely manner, the student is required to provide information promptly. If the student fails to provide requested information in a reasonable period of time (typically 10 working days), the grievance may be cancelled, and no further consideration will be given.
4. The written formal grievance will be investigated, and the determination will be provided in a timely manner to the student.
5. Any resolution that is unsatisfactory to the student may be appealed in writing to the vice president, education and career services at Grievance@dorsey.edu, whose decision in all matters will be final.

STUDENT TIME COMMITMENT

Successful program completion will require additional study and/or lab time in excess of scheduled program hours. A student should recognize that course work, while attending Dorsey School of Beauty, will require, at minimum, one additional hour of study each day. Students need to consider how many hours remain in the week after deducting time for family obligations, eating, sleeping, recreation, and other extracurricular activities. Students who work while going to school should balance their

work-related activities and obligations at home against the hours needed to study.

TRANSFER OF HOURS TO OTHER INSTITUTIONS

Programs at Dorsey School of Beauty are designed to prepare graduates for the best possible career opportunities in each student's field of choice without determination of transferability of hours earned. Transfer, recognition, or acceptance of academic hours between institutions is always at the discretion of the receiving institution. Therefore, Dorsey School of Beauty does not promise or guarantee the transfer, recognition, or acceptance of any hours earned at Dorsey School of Beauty to other educational institutions. It is the responsibility of the student to contact the State of Michigan and/or any other postsecondary institution where the student may be considering enrolling following matriculation at school to determine whether hours earned at school will be accepted on transfer to that institution.
